The Human Race is a unique opportunity for individuals, families, and businesses to work together raising money for the non-profit organization or school of their choice.

The race features a **TAC-certified 5K Run** as well as a walk that begins and finishes in Bicentennial Park.

Participating non-profit organizations receive 75-80% of the money collected, and The Volunteer Center receives the remaining percentage.

The Volunteer Center, a program of United Way of Randolph County, works to promote volunteerism in Randolph County. We recruit and refer volunteers to local agencies that utilize the services of volunteers.
